At Ujjivan SFB, we recognise the pressing need to combat climate change and are steadfast in our commitment to support India's Net Zero 2070 goal. As we navigate this critical juncture, we acknowledge the pivotal role of the finance industry in driving sustainable development. The RBI's draft disclosure framework on Climate-related Financial Risks provides a foundation for clear reporting on climate risks and opportunities. Our organisation is aligning with these regulations and reshaping investment strategies to back sustainable initiatives and practices. Our latest BRSR proudly reflects our ESG progress and 2030 ambitions, underscoring Ujjivan SFB's unwavering commitment to transparent ESG reporting and responsible corporate conduct.

Last year, we fulfilled our sustainability pledges by implementing energy-efficient lighting across all offices and training employees in conservation. Our community efforts saw a 134% rise in livelihood programme beneficiaries and a strong emphasis on CSR in targeted districts. Employee volunteerism at Ujjivan SFB increased by 25%, showcasing our societal commitment. Our CSR mission uplifts the socio-economically challenged by investing in education, improving infrastructure, and promoting financial literacy for societal progress.

Ujjivan SFB is dedicated to sustainable growth, balancing economic progress with environmental care, community welfare, and employee well-being. Committed to financial inclusion, we focus on empowering the underserved and integrating sustainability into our core operations. Our strategies aim to foster a sustainable environment, positive social impact, and robust governance.

Case Details

Case: The Bank received a notice dated March 16, 2021, from EPFO under Section 7A of EPF Act for non-payment of PF dues in respect of the employees of the Bank from February 2017 up to March 2019 which also comprised of the report of EPFO enforcement officer elucidating that the Bank has not made contributions to PF in proportion to all components of the 'basic wage' as defined under EPF Act. The Notice stated that failure to remit the statutory dues is a punishable offence under Sec 14 of the EPF Act and non-payment of employee's share of PF contributions would amount to criminal breach of trust. The Bank submitted a reply to the Notice on April 19, 2021, and presented the wage register, attendance register for the period, February 2017 to December 2020 along with the ECR challans/ financial statements for the last two years. The Bank in the Reply highlighted that the PF contribution has been made on the basic wages as defined under section 2(b) of the EPF Act and that there has been no discrepancy in adhering to the provisions of contribution under the EPF Act. The Regional P.F. Commissioner – II passed an order dated August 9, 2021 ("Order") confirming the ad hoc assessment of the enforcement officer, requiring the Bank to pay ₹ 22.70 Crores. As per the process, the Bank filed an appeal before the Central Government Industrial Tribunal (CGIT) on September 6, 2021 in relation to the Order. Since CGIT was not functioning, the Bank filed a writ petition before the Hon'ble High Court of Karnataka. Taking note of the fact that, the Bank has availed efficacious statutory remedy before CGIT, the Hon'ble HC disposed of the matter and ordered that there will be an interim order of stay for depositing amount of ₹ 22.70 Crores, till the finality of appeal pending before CGIT.

Outcome: At present, the matter is pending before CGIT for appearance of respondent (i.e EPFO) and hearing of the parties.

10. Health and safety management system:

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, what is the coverage of such a system?

Yes, we have implemented a comprehensive Occupational Health and Safety (OHS) policy across all operations whose objective is to provide and ensure a safe and healthy work environment for all employees through an appropriate management system. The bank is committed to the continuous improvement of safety performance and the elimination of workplace injuries and illnesses. The OHS policy also encompasses all aspects of health and safety management, including employee training, emergency preparedness, hazard identification, risk assessment, incident management, and compliance with legal requirements.

b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

We have noted that the nature of our sales work requires extensive travel, which inherently carries a higher risk of road accidents. Considering this, we are proactively organising sessions and initiating communication campaigns to raise awareness about the importance of being vigilant and cautious while riding or driving. Our goal is to ensure that our team members are well-informed about road safety measures and best practices to minimise the likelihood of accidents and promote a culture of safety throughout our organisation.

We strategically arrange our safety awareness sessions and communication efforts by closely analysing insurance claim trends. This data-driven approach allows us to tailor our educational content to address the most prevalent risks and to anticipate potential hazards for the upcoming year.

c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks.

Our Occupational Health & Safety policy defines the procedure for reporting the OHS incidents involving an employee. In case of any incident, employee shall report to their supervisor and HR representative in the region immediately and seek support; - HR representative and Supervisor should also seek support from Admin or any other resources in the Bank to provide all kind of help required to the employee; - Regional HR representative will report such matter to the National Manager who shall monitor all such incidents and report to Executive committee of the Bank Semi-Annually. The incident has to be reported to Operational Risk Department for record purpose.

d. Do the employees/ workers of the entity have access to non-occupational medical and healthcare services?

Yes, the bank's employees have access to non-occupational medical and healthcare services. To promote safety and well-being, the bank conducts quarterly awareness sessions on road safety and distributes communications regarding road safety rules every two weeks. Furthermore, monthly sessions are organised to inform employees about general and women's health issues. All employees and their family members are entitled to an annual health checkup. The bank also facilitates women's self-defence sessions throughout the year and arranges dental and vision camps for the employees' benefit.

11. Details of safety related incidents, in the following format:

12. Describe the measures taken by the entity to ensure a safe and healthy workplace.

Fire drills are held quarterly to ensure employee preparedness, while our facilities maintain mandatory safety features including fire extinguishers, exits, first aid, clean water, and proper ventilation. We provide a comfortable work environment with quality furniture and hygiene maintained by housekeeping. Of all the banking outlets, 125 branches, 4 Regional offices, Corporate office, L & D Centre & CPC building are equipped with ramps. Proactive electrical audits are ongoing, with plans to expand to 40 more locations. Regular road safety awareness and communication are part of our commitment to employee well-being, along with monthly health sessions and annual checkups for employees and their families. Additionally, we offer women's self-defence training and host dental and vision camps.

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions.

The lift incident at our Coimbatore branch resulted in injuries to three employees due to a malfunction. Consequently, the workplace is being relocated to a new facility.

The communication mailers distributed as part of the Road Safety Campaign effectively heightened road safety awareness throughout the region.

Leadership Indicators

1. Does the entity extend any life insurance or any compensatory package in the event of death of (A) Employees (Y/N) (B) Workers (Y/N).

Yes, the bank provides benefits of life insurance to its employees with coverage ranging from 10 Lakhs to 1 Crore.

2. Provide the measures undertaken by the entity to ensure that statutory dues have been deducted and deposited by the value chain partners.

The bank engages vendors who provide third party employees as contract staff, to render certain incidental and ancillary services. These include, amongst others, security personnel, housekeeping staff, collection staff, specialists in IT and in other functions. Engagement of off role staff is governed by contracts between the Bank and the respective vendors. There is a due process for on boarding of these vendors and the engagement of off role staff.

The agreements entered with each vendor lists the responsibilities of the vendors in these engagements, most importantly in the matter of payment of statutory dues including GST, duties, and other labour related dues relating to each of the contract staff. Hence while the Bank pays the vendors in terms of the contract, it is incumbent upon the vendor to ensure that payment of salaries and other benefits of staff as contracted, and all statutory and regulatory payments are made on time.

Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

Although there is no direct consultation between stakeholders and the Board on economic, environmental, and social topics, the Board has dedicated Board Committees such as the Stakeholders Relationship Committee, Customer Service Committee, Nomination and Remuneration Committee, CSR Committee that regularly review the reports which inter alia include feedback, concerns, or complaints if any from the stakeholders such as Investors, Customers, Employees etc. Further, the Bank being an entity engaged in Micro Finance with majority of its customers belonging to the unserved/ underserved community, has always been on its toes with regards to social initiatives. The concerns of investors on economic aspects, if any are attended to in the investor calls held by the Bank.

2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Yes, stakeholder consultation is used to support the identification and management of environmental and social topics. We actively incorporate feedback from stakeholders, including investors, into our environmental and social initiatives. By engaging with investors and providing them with updates on sustainability-related initiatives and regulatory information, we ensure that our stakeholder inputs are considered in our Initiatives, ESG reporting, policies and activities. We initiated disclosing our sustainability performance through sustainability report beginning from FY 2022-23 to showcase our commitment towards sustainable operations and stakeholder interests.

3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/ marginalised stakeholder groups.

The Bank engages with the various, identified vulnerable and marginalised sections of the society through its products and services, as well as community engagement initiatives. The Bank has specific products and services that especially cater to the economically backward sections of the society in rural, urban, and semi urban India, such as microfinance, digital payments, agriculture banking, MSME Loans and loans towards affordable housing.

4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)

We have established a governance structure to ensure the oversight of human rights management. The bank has created various committees—Regional, Central, and Appellate—to oversee the implementation of any deviations related to human rights or the disciplinary processes of the bank. Each committee will meet according to a prescribed schedule; for example, regional committees will meet once or twice a week, while the central committee will convene monthly to review actions and support required. These committees will also assess the processes and communication channels to integrate additional requirements into the system.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

Ujjivan has robust grievance mechanism designed to receive, analyse, and respond to complaints or inquiries from any stakeholder. Employees can raise their grievances through the following channels:

- HR Helpdesk
- Whistleblower Policy
- Central Disciplinary Committee – if an employee wishes to appeal against the actions or decisions of the regional disciplinary committee.
- Appellate Committee – if an employee wishes to appeal against the actions or decisions of the central disciplinary committee.

The council or committee will review and address the complaints within 71 days, and the complainant will be informed of the corrective and preventive actions taken.

11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 10 above.

There were no significant risks or concerns arising from the assessments conducted on our premises. However, the prohibition of child labour, fair wage administration, and compliance with relevant regulations are strictly enforced. The Internal Compliance team is dedicated to preventing sexual harassment and ensuring workplace safety. Concurrent Auditors, in partnership with Payroll and Compliance vendors, validate these practices. Disciplinary committees at both Regional and Corporate offices oversee and enforce disciplinary measures.

Leadership Indicators

1. Details of a business process being modified / introduced as a result of addressing human rights grievances/ complaints.

Ujjivan has increased awareness on raising grievances about Workplace, Salary, Benefits POSH etc. through various modes viz., Helpdesk, Amber and Mail to foster a transparent and supportive work environment. This has resulted an increase in grievances under different category which got resolved through individual SPOC / Committees based on the severity of the concern.

We have also modified the process for resolution of POSH complaints. Earlier corporate POSH complaints were handled by South regional Inquiry Committee (IC). However, based on the recent trend to address the concern on a faster pace, Inquiry Committee has been formed for corporate and also modified the existing composition of regional IC committees across Ujjivan to showcase the rotations in the committee.

2. Details of the scope and coverage of any Human rights due diligence conducted

The human rights due diligence undertaken within our organisation is multifaceted. Employees have various avenues to address their grievances, including the HR Helpdesk on the HRMS, the Amber digital platform for employee assistance, the Whistleblower Policy, and disciplinary committees. These platforms are regularly reviewed by the Regional/Corporate HR/Disciplinary team, the Employee Engagement team, and various HR stakeholders to ensure the timely resolution of all concerns raised. Through these initiatives, we are committed to conducting comprehensive human rights due diligence to safeguard the rights and dignity of all individuals within our organisation.

- Customers can escalate their complaints to banking ombudsman in case of no response or a resolution for their complaint from the bank within 30 days or they are not satisfied with the resolution provided by bank. The complaints received through other external channels such as social media/ central government's consumer helpline & CPGRMS are also being handled for resolution. The customer is acknowledged for the complaints received either through SMS, Email or acknowledgement slip as applicable. Turn Around Time for resolution of complaints are defined based on nature of complaints criticality and effort required for resolution. These TATs are added in software tool which the Bank is using for documenting, tracking and resolution of complaints. All the complaints received from different channels are captured in CRM software solution which automatically assigns complaint ticket to respective internal departments for resolution. The bank had setup a dedicated Service Quality department which monitors complaint resolution framework end to end. The data on pending complaints is being monitored and reviewed by Service Quality team and necessary internal escalation process is followed for closure of pending complaints. Complaint resolution TAT is one of the key Service Index which is being closely monitored by the bank.
