MHA sets 30-day limit to verify credentials of 'illegal' immigrants from Bangla, Myanmar

MAHENDER SINGH MANRAL

NEW DELHI, MAY 18

THE UNION Ministry of Home Affairs (MHA) has set a 30-day deadline for states and Union Territories to verify the credentials of persons suspected to be illegal immigrants from Bangladesh and Myanmar who claim to be Indian citizens. After the 30-day period, if their documents are not verified, they will face deportation, it is learnt.

In a set of instructions issued this month, the MHA asked states and UTs to invoke their statutory powers to detect, identify and deport illegal immigrants. They have also been asked to establish sufficient district-level detention centres to hold individuals pending deportation.

The instructions are part of the Centre's renewed push against undocumented, illegal immigrants from Bangladesh and Myanmar. The instructions have also been issued to the directors general (DGs) of the Border Security Force (BSF) and Assam Rifles — forces that guard India's borders with the two countries.

In February, Union Home Minister Amit Shah had said strict action should be taken against any network that helps illegal Bangladeshi and Rohingya immigrants enter the country, obtain documents, and facilitate their stay. "The issue of illegal intruders is also related to national security. and it should be dealt with strictly. They should be identified and deported." Shah said.

Since then, states like Rajasthan and Gujarat have launched efforts to identify and detain people suspected of being immigrants illegal from Bangladesh. As reported earlier by The Indian Express, Gujarat has carried out search operations in Surat and Ahmedabad and detained 6,500 such people. Rajasthan sent its first batch of 148 illegal Bangladeshi immigrants rounded up by police under a special drive — to West Bengal this week on a special flight as part of the process by which they will eventually be sent back to their country of origin, police sources

Following Shah's statement, a senior officer in the paramilitary forces told The Indian Express that the Centre reviewed the deportation process and issued "revised instructions" in the first week of May to streamline and accelerate Explaining what has changed

with the new set of instructions,

the officer said that earlier, there was no deadline for sending back illegal immigrants, and sometimes, receiving a verification report from another state, to which they claimed to belong, could take months. "But now, the Centre has asked states/UTs and district collectors/district magistrates to ensure that an appropriate credential report is sent to the deporting state/UT within a period of 30 days. The suspected person, for 30 days, should be kept in the holding centres, and if no report is received within that period, the Foreigners Registration Offices should deport them." the officer said.

Bangladesh nationals detained by Gujarat Police in Ahmedabad last month. Bhupendra Rana

Another officer said, "Usually, in serious cases like murder and kidnapping, we would send our personnel to another state to verify some documents. But in the case of deportation of illegal immigrants, we used to just send it (request for verification) to the state concerned and wait for months.'

"The Centre has now asked all state governments and UT administrations to set up a special task force in each district, under the police, to detect, identify, and deport illegal immigrants. They have also been asked to establish adequate holding centres in each district to detain illegal immigrants," the officer said.

Further, as per the MHA's instructions, all states and UTs should maintain a record of illegal Bangladeshi nationals and Rohingvas handed over to border forces and the Coast Guard for deportation, and mandatorily share a report in this regard with the Centre on the 15th of every

Also, the Bureau of Immigration has been asked to publish a list of deportees on a public portal. This data will also be shared with the UIDAI, the Election Commission and the Ministry of External Affairs to prevent the issuance of Aadhaar IDs, voter cards, or passports to such individuals in the future. If such documents are already held by illegal immigrants, these documents can be deactivated and the linked benefits discontinued.

Several instances of people identified as foreigners from Bangladesh and Myanmar being "pushed back" into their countries of origin have been reported recently. This is different from a formal deportation or handing over of the foreigners to authorities in their countries.

Earlier this month, Bangladeshi and Rohingya inmates of the Matia detention camp in Assam were "pushed back" into Bangladesh, a development confirmed by Assam Chief Minister Himanta Biswa Sarma. As of the end of April, there were 64 Bangladeshi and 103 Rohingva inmates in the camp, including 41 children.

Sarma said the inmates were pushed into Bangladesh as part of an "operation" by the Indian government. He also told reporters in Guwahati that "push backs" along the Bangladesh border have been "institutionalised" by the Assam government as an alternative to the legal process of dealing with "infiltrators".

Launch of ISS Mission Two arrested for 'hurling with Indian on board likely on June 8

AMITABHSINHA NEW DELHI, MAY 18

THE AXIOM-4 mission, which will Indian astronaut Shubhanshu Shukla and three others to the International Space Station, will fly no earlier than June 8, NASA has said in a recent statement. The exact date of the launch has still not been announced though the countdown on the Axiom's website also indicates June 8 as the possible date. The mission was earlier scheduled to fly in the last week of May. A few days ago, Indian Space Research Organisation (ISRO) Chairman V Narayanan had said that the mission was expected to be launched in the first week of June.

It is not clear what has delayed the launch of the Axiom-4 mission from its original schedule. In a statement a few days ago, NASA indicated that the rescheduling was caused because of logistical reasons."After reviewing the International Space Station (ISS) flight schedule, NASA and its partners are shifting launch opportunities for several upcoming missions. The schedule adjustments provide more time to finalise mission plans, spacecraft readiness, and logistics," it said.

The dates of two other missions to the ISS have also been affected, NASA said.

The Axiom 4 mission is being operated by private US space company Axiom Space, in partnership with NASA and SpaceX. Apart from Shukla who will be piloting the mission, three other astronauts, one each from the United States, Poland and Hungary, would be travelling to the ISS. The Indian participation in this mission is a result of an agreement between ISRO and NASA.

HIMANSHUHARSH PATNA, MAY18 A DAY after Bihar Governor Arif

Mohammad Khan visited Bihar National College to take stock in the aftermath of a deadly campus bombing, Patna police on Sunday announced the arrest of two key suspects accused of hurling the bombs. Assistant Superintendent of

Police(Town 1) Diksha said the accused, identified as Deepak Kumar and Shubhankar Kumar alias Saurav, were apprehended from their respective hometowns in Gaya and Arwal districts.

"During questioning, both of them admitted their involvement in the incident. They also named others and raids are ongoing to apprehend additional suspects," the officer said.

As per the ASP, around 12.45 pm on May 13, police received in-

formation about a fight between student groups at BN College, and responded immediately, detaining two individuals. Shortly after, the principal reported a bombing incident in which a second-year History student, Sujeet Kumar Pandey from Rohtas, was critically injured while exiting the exam hall following an internal examination. He was rushed to Patna Medical College Hospital, but succumbed to his injuries two days later, ASP Diksha said.

"When asked about the motive, they (the accused) said that $after\,the\,detention\,by\,police\,in\,the$
