Veeyapuram Chundan lifts  
Nehru trophy in photo finish

Breaking Pallathuruthy Boat Club's (PBC) long stranglehold, Veeyapuram Chundan (snakeboat) of the Village Boat Club (VBC), Kainakary, rowed to a sensational triumph in the 71st edition of the Nehru Trophy Boat Race (NTBR) on the shimmering waters of Punnamada Lake in Alappuzha, Kerala on Saturday. Veeyapuram surged to victory in a photo finish clocking 4:21.084 and lifted the coveted title in front of thousands of cheering spectators.

One killed, another injured  
in blast at a house in Kannur

A powerful explosion in a house, where explosives were allegedly being stored for preparing fireworks, in Kannur district of Kerala killed one person and injured another on Saturday. The police identified the deceased as K. Mohammad Asham. The police registered a case against Anoop Malik, Asham's relative, who had taken the house on rent and was a supplier of fireworks. He had been involved in a similar blast at a house at Podikundu in 2016.

M. A. Saleem appointed head  
of Karnataka police force

Three months after 1993-batch Indian Police Service (IPS) officer M. A. Saleem was made in-charge Director-General and Inspector-General of Police (DG&IGP), the Karnataka government on Saturday formalised his appointment and made him the full-time Head of Police Force. However, the order issued by Department of Personnel and Administrative Reforms on Saturday appointing Dr. Saleem does not mention a two-year tenure.

Telangana Cabinet  
clears Azharuddin  
and Kodandaram

R. Ravikanth Reddy  
HYDERABAD

The Telangana Cabinet, presided over by Chief Minister A. Revanth Reddy, cleared the names of Prof. M. Kodandaram and former cricketer Mohammad Azharuddin for nomination to the Legislative Council under the Governor's quota.

The Cabinet on Saturday decided to send the two names to the Governor for clearance after the Supreme Court stayed the earlier nominations of Prof. Kodandaram and journalist Amer Ali Khan to the Council, citing that they were nominated when a case was pending in the Court on those two vacancies.

The stay was imposed on a petition filed by Bharat Rashtra Samithi (BRS) leaders Dasoju Sravan and Kurra Satyanarayana, challenging the nominations

made by the government. They were earlier nominated by the BRS government, but the then Governor did not clear the names citing technical reasons.

Meanwhile, the Congress came to power and nominated Professor Kodandaram and Amer Ali Khan for the two vacancies. Their appointment was challenged again by the BRS, citing that their nomination issue was still pending. The top court clarified that any appointments made under the Governor's quota would be subject to the outcome of the legal proceedings.

The nomination of Mr. Azharuddin to the Council sends a clear signal that the party ticket for the Jubilee Hills bypoll would be given to a Backward Class (BC) candidate. Mr. Azharuddin contested the 2023 Assembly elections and lost to Maganti Gopinath of the BRS.

Telangana Assembly to take  
up Bill on 42% BC quota today

Former BRS govt. reduced reservation for Backward Classes in local body polls from 34% to 23% to overcome the ceiling set by Supreme Court; Minister says all parties have backed the new Bill

R. Ravikanth Reddy  
HYDERABAD

The Telangana government will introduce a new Bill in the Assembly on Sunday to provide 42% reservation for Backward Classes (BCs) in local body elections, replacing the Ordinance on the Panchayat Raj Amendment Act, breaking the 50% upper ceiling on total reservation.

The decision was taken at the Cabinet meeting on Saturday. The proposed legislation will replace the Telangana Panchayat Raj Act, 2018, brought during the previous Bharat Rashtra Samithi (BRS) government's tenure under K. Chandrashekar Rao, which

BC Welfare Minister Ponnamp Prabhakar with Minister Ponguleti Srinivas Reddy at a press meet on Saturday. SPECIAL ARRANGEMENT

led to the reduction of quota for BCs from 34% to 23% to overcome the 50% upper ceiling of the Supreme Court.

Backward Classes Welfare Minister Ponnamp

Prabhakar told reporters after the Cabinet meeting that the new Bill would be introduced in the Assembly as all the parties are in agreement on enhancement of the reservation.

Kerala may permit killing of wild animals

The Hindu Bureau  
THIRUVANANTHAPURAM

The Kerala government is considering an amendment to the Wildlife Protection Act, 1972 for addressing specific challenges faced by the State in human-wildlife conflict, Minister for Law P. Rajeeve said.

The amendment under consideration seeks to authorise the Chief Wildlife Warden "to permit any person, by following certain procedures, to kill, tranquillise or capture a

wild animal if it attacks someone and causes serious injury or if such an animal is found in a public place," Mr. Rajeeve said.

Mr. Rajeeve was addressing a conference organised by the Kerala State Legal Services Authority and the National Legal Services Authority on Saturday.

The decision to propose an amendment to a Central law is based on the legal advice that the State government is competent to propose such an amendment, Mr. Rajeeve said.

He told *The Hindu* that the government proposes to introduce the Bill, which is awaiting Cabinet nod, in the upcoming session of the State Assembly. Since the amendment concerns a Central law, the Bill, once passed by the Assembly, would also require the assent of the President, he said.

Article 254(2) of the Constitution allows a State legislature to pass a law on a subject on the Concurrent List.

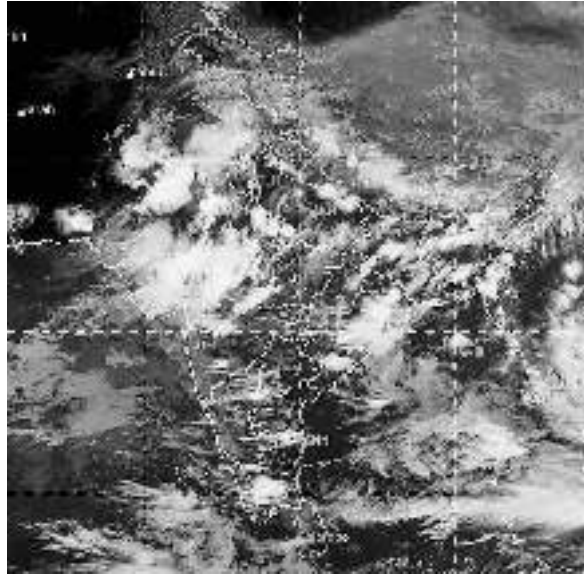

"In the context of human-wildlife conflict, the

Mr. Prabhakar said the Panchayat Raj Act, 2018 was the biggest hurdle as it capped the total reservation for the SCs, STs and BCs in local bodies at 50%.

The government had issued an Ordinance to amend the 2018 Act, and the Bill replaces the Ordinance. The Ordinance issued last month is pending with the President. The Cabinet decided to grant reservation to the SCs and the STs as per the 2001 census in the local bodies, he said. The government will justify the enhancement citing the Socio, Economic, Educational, Employment, Political and Caste Survey, which places the BC population in Telangana at 56%.

SO<sub>2</sub>: Sulphur Dioxide. Short-term exposure can harm the respiratory system, making breathing difficult. It can affect visibility by reacting with other air particles to form haze and stain culturally important objects such as statues and monuments.

NO<sub>2</sub>: Nitrogen Dioxide. Aggravates respiratory illness, causes haze to form by reacting with other air particles, causes acid rain, pollutes coastal waters.

CO: Carbon monoxide. High concentration in air reduces oxygen supply to critical organs like the heart and brain. At very high levels, it can cause dizziness, confusion, unconsciousness and even death.

PM<sub>2.5</sub> & PM<sub>10</sub>: Particulate matter pollution can cause irritation of the eyes, nose and throat, coughing, chest tightness and shortness of breath, reduced lung function, irregular heartbeat, asthma attacks, heart attacks and premature death in people with heart or lung disease
